EMPLOYMENT OPPORTUNITY

Registered Nurse

JOB OVERVIEW:

Reporting to the Health Director, the Registered Nurse (R.N.) works in-community to provide direct nursing care to patients, deliver health education programs and provide consultative services regarding issues relevant to nursing practice.

RESPONSIBILITIES:

- Assess patients to identify appropriate nursing interventions
- Serve as a custodian of health and access the NetCare to input patient information
- Collaborate with members of an interdisciplinary health team to plan, implement, co-ordinate and evaluate patient care in consultation with patients and their families
- Administer medications and treatments as prescribed by a physician or according to established policies and protocols
- Provide health education and registered nursing care through home visits, manage complex home care cases, participate in community needs assessment and program development, conduct disease screening and deliver immunization programs
- Monitor, assess, address, document and report symptoms and changes in patients' conditions
- Organizes home care services within the home to successfully manage the client's needs.
- Assesses the needs of persons who cannot function independently in the community and recommend appropriate care
- May supervise licensed practical nurses and health care aides
- May teach and counsel patients and their families on health-related issues in collaboration with other health care providers.
- Provide latest program information and updated statistics as required
- Attend scheduled staff meetings and perform other duties as required

REQUIREMENTS:

- Bachelor of Science in Nursing or Bachelor of Nursing (BN)
- Willing to obtain a class 4 drivers license
- Ability to work on-call on alternating weekends.
- Current BCLS-HCP required.
- Experience and skills relevant to nursing practice in the community sector will be considered an asset.
- Public Health nursing experience including immunization, Healthy Beginnings, and Child Health Clinic preferred.
- Other desirable recent nursing experience includes maternal/postpartum and newborn assessment.

Please email your resume to hr@fmfnegroup.com . FMFN #468 would like to thank all applicants at this time; however, only candidates selected for interviews will be contacted directly.
