

EMPLOYMENT OPPORTUNITY

Facilities Labourer (Summer Student)

ABOUT:

Shared Services provides overall support and maintenance facilities where entities owned by FMFN468 operate.

JOB OVERVIEW:

Working under the direction of the Facilities Manager, the Facilities Labourer will perform general maintenance duties, such as building repairs, moving furniture, assembling furniture-picking supplies for the project from the hardware store.

This is a temporary full-time position commencing July 04, 2022, and ending on or before August 26, 2022

RESPONSIBILITIES:

- Maintain stock inventory of materials
- Good working order of ladders and equipment supplied by Merit
- Accurately assembly equipment and materials for days' jobs
- Tie workflow to schedule
- Install, repair, and maintain equipment
- Providing service and customer support during field visits
- Confident and knowledgeable in demolition, drywall, mud and tape, painting, carpentry, housekeeping, framing, reading and understanding drawings
- Unload tools, prepare building site materials, stack building materials, and set up equipment
- Follow project instructions from the Facilities manager
- Use construction and maintenance tools and equipment to complete daily tasks
- Follow all health and safety policies and regulations when completing tasks
- Ensure regulated and proper headgear, ear plugs, gloves, safety glasses, and clothing are worn
- Complete all assigned tasks in a timely and efficient manner,
- Safely operate a variety of tools, including pressure washers, jackhammers, drills, saws, grinders, and blowtorches
- Ensure construction equipment and tools are cleaned and stored properly
- Comprehend customer requirements and make appropriate recommendations/briefing
- Produce timely and detailed service reports
- Follow all company's filed procedures and protocols
- Perform Other related duties

REQUIREMENTS:

- Some experience as a general construction labourer may be required for construction trade helpers.
- Some pipeline workers, such as stabbers, mandrel operators and pre-heater tenders, usually require one season of experience in oil and gas pipeline construction.
- Flagmen/women may require a traffic control certificate.

HOW TO APPLY:

Please email your resume to HR@fmfngroup.com . FMFN#468 would like to thank all applicants at this time; however, only candidates selected for interviews will be contacted.
